TYPE 1/JUVENILE DIABETES EDUCATION CAMP

2. **All members are expected to carry along Sugar and some light snack, fruits etc. on their person for all 3 days in order to keep HYPO at bay.**
3. All participants should carry their Insulin Injection kit, Blood testing equipment and all other related items.
4. Participants are advised to take along the following items: Lock & Key, Torch, Mosquito Repellant, Insulin Kit, Hypo kit, and of course personal toiletries, bed sheet and pillow covers (these will be made available, but you can carry your own too if you prefer), a notebook and a pen and other items of daily requirement.
5. The camp is primarily an educational activity, and it is NOT a picnic. It intends to teach Juvenile Diabetics and their family members how to live a normal life despite Diabetes. Self-Education and opportunity to meet other Families, to the maximum extent possible, is the aim of the camp.
6. A maximum of two adults will be permitted to attend along with each person living with Type 1 Diabetes.
7. While JDF will attempt to provide necessities during the camp, please note that all participants are expected to help themselves in day-to-day requirements.
8. JDF will not be responsible for any unforeseen, untoward incident or mishap that could occur during the camp or while in transit to and from the camp. At the camp site or while in transit, any damages, if occurred, will have to be compensated by the person responsible for causing such damage.
9. Those who cancel their registration for the camp 15 days prior to the camp will be refunded 75%, otherwise only 50%.
